

**INVITATION FOR CONSULTANT SERVICES
For Colorado Department of Transportation Statewide**

**Project Specific CDOT Statewide Underwater Bridge Inspection Services
Public Notice for Professional Consultants**

The Colorado Department of Transportation (CDOT) intends to hire one (1) Professional Consultant for this Project. The selected Consultant will contract to provide project specific Statewide Underwater Bridge Inspection Services to include those specific services set forth below. This selection will include the Interview Phase.

DESCRIPTION: Consultant services will consist of all work necessary to provide the following services:

- (1) Underwater Bridge Inspection Services for approximately 43 “On System” bridges statewide. CDOT has identified two (2) and possibly three (3) bridge structures that will require an on-site recompression chamber for the work performed on these bridges.
- (2) Underwater Bridge Inspection Services for approximately 49 “Off System” bridges statewide.
- (3) Emergency and/or as needed “special” inspections as may be required July 1, 2010 through June 30, 2014

The project is part of CDOT's regular bridge inspection program as described in Chapter 23, Part 650 in the Code of Federal Regulations. A contract resulting from the Invitation for Consultant Services is considered a “pricing agreement.” CDOT anticipates that the compensation format on this contract will be “cost plus fixed fee,” subject to further review by CDOT. The Department reserves the right to utilize other compensation formats, including but not limited to, a specific rate of pay format at its sole and exclusive discretion.

SPECIAL PROJECT REQUIREMENT: All work to be performed under this agreement shall be in accordance with the National Bridge Inspection & Standards and the Manual for Maintenance Inspection of Bridges issued by AASHTO. All diving operations shall be conducted in conformance with the requirements of Sup-Part T, Commercial Diving Operations Occupational Safety and Health Administration (OSHA) Standards and any other requirements governing such activities. The consultant shall provide all equipment, labor, licenses, permits and insurance necessary for the completion of the work, and a licensed Colorado Professional Engineer,

Interested Consultants:

The prime firm of each team must be on CDOT's list of prequalified consultants by **March 25, 2010**. Prequalification must be done annually. Consultants who are not prequalified or who have questions regarding their prequalification should immediately contact Michael Dapceвич, Agreements Office at telephone (303) 757-9618.

For the Capacity factor included in the Statement of Interest portion of the consultant's submittal, and described in the SOI/WP Preparation Instructions For Consultants, the prime firm must show, for the prime firm or any member of its team, capacity in the following disciplines: BI-Bridge Inspection; SE Structural Engineering & HY-Hydraulics.

Interested firms shall submit seven (7) copies of the Statement of Interest/Work Plan no later than 12:00 noon local time April 1, 2010, to:

Name:	Jeff Anderson
Organization:	CDOT Project Manager, Region 6
Telephone:	(303) 757-9188

CDOT will be holding interviews for this consultant selection. From those firms submitting a Statement of Interest/Work Plan (SOI/WP), CDOT will short-list no less than three firms for interviews, using the following criteria for final selection: Workload Factor; Project Team; Firm Capability; Past Performance on Similar Projects/Similar Teams; Work Location; Capacity; UDBE Participation; ESB Participation; Project Goals, Project Control, Project Concept, and Project Critical Issues, and those firms that make the Short-List will be scheduled for the Presentation/Interview process. (approximately 2-3 weeks from short-list notification)

NOTE: Firms submitting a Statement of Interest/Work Plan (SOI/WP) must, in their submitted SOI/WP, expressly commit, and identify by name, key employees of their own staff, as well as of the staffs of the sub-consultants on their teams, to be available to do the Work.

The Department has determined the contract goal for UDBE participation in this contract will be met with certified DBEs who have been determined to be underutilized on professional services contracts. At this time, **all DBEs** will be considered to be UDBEs.

The UDBE goal for this project is: **0%** **Zero Percent.**

The type of compensation on this contract is anticipated to be either a "cost plus fixed fee" or "specific rate of pay" format, subject to further review by CDOT.

CDOT assumes no obligation of any kind for expenses incurred by any respondent to this solicitation. The right is also reserved by CDOT to reject any and all submittals.
